

GreenEmployee Account Access

For Paystubs and W2s

To Create an Account:

- Go to www.GreenEmployee.com
- Enter Company Code: Trace
- Click on **Create an Account**
- You will then need access to the email address on file with your local Trace office. You will receive a notification email to continue the setup process.
- You will then need access to the cell phone number on file with your local Trace office in order to receive a verification code via text.
- If you have any issues please contact your local Trace Staffing Office.
